Country	Entry Regulations	Quarantine/Additional Information
Algeria	<p>Updated as on 08th October 2021 A 36 hour RT PCR test prior to travel and Antigen test is mandatory on arrival . There are no other restrictions on Indian nationals travelling to Algeria</p>	
Austria	<p>Entry Requirements as on 10th June 2021. Know More For FAQs, refer https://www.sozialministerium.at/Informationen-zum-Coronavirus/Coronavirus---Haeufig-gestellte-Fragen/FAQ-Einreise-nach-Oesterreich.html</p>	
Australia	<p>Updated as on 30th November 2021 <u>Australian citizens, permanent residents or their immediate family members</u> entering Australia who have been in South Africa, Lesotho, Eswatini, Namibia, Botswana, Zimbabwe, Seychelles, Mozambique, or Malawi in the last 14 days will need to enter supervised quarantine for 14 days in line with state and territory requirements irrespective of their vaccination status. <u>Any other travellers</u> who have been in South Africa, Lesotho, Eswatini, Namibia, Botswana, Zimbabwe, Seychelles, Mozambique, or Malawi in the last 14 days are not permitted to enter Australia. This includes travellers with a travel exemption or seeking to enter under a Safe Travel Zone arrangement. From 1st December 2021, 'fully vaccinated' eligible visa holders from other than countries mentioned above will be allowed to travel to Australia without requiring an individual travel exemption. Evidence of a negative COVID-19 Polymerase Chain Reaction (PCR) test taken within 72 hours prior to scheduled departure is required for inbound travel to Australia. The Australian Government advises travellers of country</p>	<p>72 hours home quarantine for vaccinated international arrivals (and medically exempt), and children younger than 12 years. Private accommodation e.g., hotel or AirBnB is acceptable providing travellers do not share a bedroom and bathroom with people outside traveling party, no access to shared facilities, meals delivered to door. Anyone they are residing with, must also comply with home quarantine for 72 hours. Travel to home quarantine via private cars, CPV, taxis (not public transport). No onward travel is permitted. 14 days hotel quarantine for arrivals from key countries (South Africa, Namibia, Zimbabwe, Botswana, Lesotho, Eswatini, The Seychelles, Malawi, Mozambique) Non-citizens and non-PRs from key countries will not be permitted to enter. Information about checking of vaccination certificates in Australia- KNOW MORE Passengers seeking advice on their verification of vaccination should visit servicesaustralia.gov.au/covidvaccineproof for further information. NOTICE

ELIGIBILITY CRITERIA FOR PURCHASE OF TICKETS FOR OUTBOUND REPATRIATION FLIGHTS BY AIR INDIA AND AIR INDIA EXPRESS

Due to extraordinary circumstances arising from the COVID-19 pandemic, there are restrictions at a number of international destinations. All passengers who propose to purchase tickets for flights DEPARTING INDIA on any Air India or Air India Express flights that will be repatriating Indian Nationals from abroad MUST read this document and agree with the conditions set out in these guidelines.

VANDE BHARAT MISSION

1. It is the responsibility of all prospective travelers to satisfy themselves that they are fully eligible to enter or transit the country for which they are purchasing an Air India ticket. Air India, Air India Express and their subsidiaries accept no liability in this regard.
2. As per Annexure B Para 2(ii) of the Standard Operating Protocol (SOP) issued by the Ministry of Home Affairs (MHA) dated 5th May 2020, only those persons shall be allowed to travel to the destination countries who are citizens of that country; who hold visa of at least one-year duration of that country; and Green Card or OCI card holder. In case of medical emergency or death in the family, Indian nationals holding six-month visa can also be allowed.
3. In several destinations, Only NATIONALS FROM THE DESTINATION COUNTRY are being permitted entry. These include OMAN, KUWAIT, MALAYSIA, PHILIPPINES, QATAR, SAUDI ARABIA and UAE. Conditional exceptions have been made for some categories, namely Diplomats on Mission and UN officials.
4. In case passengers have documents certifying their eligibility to travel to any of the countries listed above, such as health workers holding valid work permits, or resident visa holders, they may separately obtain written permission from Government authorities or Embassies of the above countries' resident in India (New Delhi), or their nearest Consulates. This will NOT be the responsibility of Government of India or its agencies; or Air India and its subsidiaries.
5. Seafarers with valid CDCs and an Employers' Letters indicating the name and details of the holder, and the port of commencement of duty (USA, UK and SINGAPORE ONLY), may also purchase tickets on outbound flights.
6. Foreign Nationals in India, from any of the destination countries are welcome to purchase tickets to travel.
7. Third Country nationals seeking to travel from India to or through destinations being reached by Air India's repatriation flights may ensure that they have eligible visas to enter BAHRAIN, BANGLADESH, USA, UK OR SINGAPORE. They may also satisfy themselves, at their responsibility entirely, that there are no separate eligibility criteria in force regarding their entry in these countries. If they are refused entry at the point of destination, they may not be allowed return to India as well.
8. Diplomats and UN officials traveling on outbound flights operated by Air India need to carry a letter from their Mission in the arrival destination confirming their clearance from the receiving Government, for them to travel. The letter must mention passport details.
