## BAGGAGE UPDATE

In a recent circular, the Central Industrial Security Force (CISF) has clearly mentioned that passengers are no longer allowed to carry more than one hand bag on flights.

The idea is to reduce congestion and delays at pre-embarkation security check (PESC) in airports. A separate note stated that items like lady's hand bag, overcoat /wrap, rug/blanket, reading material, umbrella/walking stick, carrying baskets for infant, collapsible wheel chair/clutches, and gift items purchases from duty free shops will be allowed in addition to one cabin baggage.
